

.NET developer

What you will be doing to make an impact

As a .NET Developer you work together with experienced colleagues on performant applications for the automation and improvement of complex business processes for one of our top clients. In addition to programming, you will also be closely involved in the functional and technical analysis but also in testing and documenting the applications.

Skills you can WOW us with

You are a real **team player** with a passion for technology and applications, who is at the same time extremely customer focused. Your best soft skill needs to be **communicating clearly** and listening attentively. You tackle deadlines like a rugby player, aim for gold in the quality of your work and although we are looking for a human, and not a robot, you can guarantee that you **rarely make mistakes**.

We are looking for someone who worked hard for the following skills:

- Graduated or less than 3 years of work experience
- Master's degree in IT or Civil Engineering Computer Sciences
- Knowledge of MS Visual Studio environment with C#, ASP.NET, MVC and SQL server, etc.
- Experience with .NET (through school projects or other)
- You are a native Dutch or French speaker and have a good knowledge of English

How you will become an Exellyst

We are not a recruitment agency. We are not a consultancy agency either.

We are tech talent integrators that will help you unlock your full potential. Once hired, you are part of our unique program that will most definitely match your professional needs.

- You are part of the Exellys team (we pay you, while your career takes off) but you are working on challenging projects for our clients.
- You get a personal career coach, access to technical trainings and are encouraged to obtain certificates so you can innovate yourself and boost your professional portfolio.
- After two years, you'll get the opportunity to work for the client as a permanent employee (they pay you, while your career is accelerated).

Sparked your interest? Want to know more about the job? About Exellys? About our remuneration package? You know what to do... hit that APPLY button and become an Exellyst!
