

Web & Mobile developer

What you will be doing to make an impact

As a Web & Mobile developer you will be **developing computer applications** for cloud & mobile use. You are responsible for designing and programming the app, as well as **analysing the performance**, both on functional and technical levels. You will evaluate, test and document the application to improve and innovate your work.

Skills you can WOW us with

You are a real **team player** with a passion for technology and applications who is at the same time extremely customer focused. Your best soft skill needs to be **communicating clearly** and listening attentively. You tackle deadlines like a rugby player, aim for gold in the quality of your work and you want to increase your **knowledge** all the time by staying up-to-date with the latest technologies. You like variation and want to use your expertise, creativity and **analytical mind** in a job that excites you.

We are looking for someone who worked hard for the following skills:

- Graduated or less than 3 years of work experience
- Bachelor or Master's degree in IT, ICT, Computer science or Multimedia
- Good knowledge of PHP, JavaScript, HTML5, CSS3 and OO programming
- Experience with mobile development (IOS, Android, Windows) in an Agile environment is a plus
- You are bilingual (Dutch/English)

How you will become an Exellyst

We are not a recruitment agency. We are not a consultancy agency either.

We are tech talent integrators that will help you unlock your full potential. Once hired, you are part of our unique program that will most definitely match your professional needs.

- You are part of the Exellys team (we pay you, while your career takes off) but you are working on challenging projects for our clients.
- You get a personal career coach, access to technical trainings and are encouraged to obtain certificates so you can innovate yourself and boost your professional portfolio.
- After two years, you'll get the opportunity to work for the client as a permanent employee (they pay you, while your career is accelerated).

Sparked your interest? Want to know more about the job? About Exellys? About our remuneration package? You know what to do... hit that APPLY button and become an Exellyst!
